

WRIT OF VESTMENT

This Writ of Vestment (the document) formalizes motion by Evergreen Exchange Enterprises (The Minter) to convert, transfer, and integrate; the total body of proprietary information and ownership rights of the Material Impact quantified in metric tonnes of Carbon Dioxide (CO₂), or delineations thereof; which were legally and fairly acquired by The Minter on Wednesday, 22

May, 2024 from Gold Standard (The Broker) and transferred into the minters custodial possession; And vested this total body of proprietary information and ownership rights (The Rights); without reservation, restriction or otherwise encumbrance; into the Kinetically Anchored Token(s) as identified and defined in the EVRGN Mint #0005 Anchor Constitution (EE Form 05 CLIENT).

This transfer is executed and brought into force as of the countersignature of this document by the signing notary public; thereby vesting the Kinetically Anchored Tokens of the EVRGN Mint #0005 with the The Rights; and therefore the owners of those tokens thereof.

IMPACT FRACTIONLIZATION ORDER

This Impact Fractionalization Order (the document) formalizes motion by Evergreen Exchange Enterprises (The Minter) to fractionalize the commodified Material Impact associated with Kinetically Anchored Token(s); Promulgated and entering into force on Wednesday 31 July 2024 0001 EDT and identified by:

- | | |
|---|--|
| 1. Anchor Constitution ID: | EVRGN Mint #0005 |
| 2. Date of Mint: | 28 July 2024 0900 EDT |
| 3. Block Height/Creation Block: | 854331 |
| 4. Inscription #: | 73472841 |
| 5. Inscription id: | 05560ad7dc5bdb0d533a6872d3deb9845c3d081cdb75c248f206bca298b99ebbi0 |

| 8. Ordinal Location: | 1A1zP1eP5QGefi2DMPTfTL5SLmv7DivfNa |
| 9. Material Impact PAH: | Mass/Carbon Dioxide Avoided |
| 10. Material Impact Period of Performance | [See Broker Records] |
| 11. Material Impact Base Asset Quantity: | 1 Metric Tonne |
| 12. Material Impact Fraction Allocation Quantity: | 1 Gram |

This document formalizes:

- (1) The termination of the Mint #0005 KAT identified above as a unified transactional vehicle.
- (2) The reconstitution of the material commodified Material Impact associated with this KAT into the corresponding body of fractional subunits organized as such:

Fraction Unit PAH:	Mass/Carbon Dioxide Avoided
Base Asset Unit Value:	1 Metric Tonne/Unit
Base Asset Unit Volume:	10
Fractional Asset Value:	1 Gram/Unit
Fractional Unit Volume:	1,000,000 units/Base Unit
Total Fractional Unit Volume:	10,000,000 fractional units

The Fractional units defined herein will be administered for commodity pairing by Evergreen Exchange Enterprises as recorded on a corresponding EE FORM 08.a. ANNEX Commodity Pairing Ledger.

This transfer is executed and brought into force as of the countersignature of this document by the signing notary public; thereby vesting the Fractional Units derived from the Kinetically Anchored Token identified above with the rights of commodified Material Impact; establishing them as independent transactional units to be dispensed for commodity pairing by Evergreen Exchange Enterprises.
